

ACTIVE PROFESSIONAL PERFORMANCE

Degreaser

Stain remover for the removal of food stain and any other organic staining agents

TECHNICAL CHARACTERISTICS

Ready-to-use product, ideal for deep cleaning natural stone, agglomerate and ceramic surfaces.

HOW TO APPLY IT

Tools

Cloth, sponge.

Method

Spray the solution on the surface, let it act for 5-10 minutes (for tough, specific stains see the table on the side), then clean with a damp sponge cloth and rinse.

The product might change the appearance of some plastic materials and alkali-sensitive surfaces. Avoid contact with wax-treated surfaces as this may be removed.

If the surface is treated for the first time it is recommended to assess the effect and the adherence of the material on a sample or a hidden corner. Set the nebulizer to OFF after use.

Attention: do not exceed the maximum contact time of 30 minutes, as specified in the table.

STAINS AND DILUTION	CONTACT TIME
Fruit and coloured stains; Seaweed and organic dirt	30'
Cosmetic residues, lipstick, shoe polish, coffee, red wine, blood, soap	from 10' to 30'
Wax residues and wax candle residues	30'
Fresh paint and polymer emulsion	30'
Rubber marks, shoe marks	30'
Fingerprints	3'
Markers	from 20' to 30'

WHERE TO APPLY IT

- NATURAL STONE
- AGGLOMERATE
- CERAMICS

FURTHER BENEFITS

- DEGREASES SURFACES IN DEPTH
- REMOVES ORGANIC, EVEN COLOURED STAINS
- EFFECTIVENESS AND RESPECT OF THE MATERIAL ACCORDING TO THE TESTS CARRIED OUT (UNI EN 8298-14)

TECHNICAL DATA

Density at 25°C g/ml	1,005
Appearance	liquid
Colour	light yellow
pH 10, alkaline	

COVER

Use undiluted

FOR DEEP CLEANING	50-70 m ² /l 538-753 sq.ft.
FOR STAIN REMOVAL apply plenty of product until the stains are completely covered	30-40 m ² /l 323-430 sq.ft.

CLOSE THE CONTAINER AFTER USE.

*used as a preservative

PACK

0,75 litre.

HOW TO STORE IT

Under standard use and work conditions, the product is guaranteed for 24 months when properly stored away from any sources of heat, humidity and direct sunlight. Set the nebulizer to OFF after use.

WARNINGS

Keep out of reach of children. Avoid contact with skin and eyes. Do not mix with other substances. When the surface is treated for the first time, we recommend you assess its effect and adhesion on a sample or hidden corner.

LEGISLATION

Before use, please read the instructions on the safety data sheet and the notes found on the packs.
